Homestead entry 104462.
Date of entry 14th May, 1914.

Mr. Rottras called to see me re the above quarter section. He had been living on and improving the property and had applied for it as a homestead. A Dominion Land Inspector's report was called for by the Department in connection with the application and this report has been received. It shows that the applicant has erected a house worth $300, made 4 acres of cultivation, etc. Mr. Rottras has also lived on the property for the required length of time.

I wrote Mr. Rottras in connection with the matter and he has replied that he has been informed by settlers in the vicinity that there is a coal seam on the N.E. of 15-63-9-4. Mr. Rottras has not seen any improvements on the N.E. of 22-63-9-W. 4. He has secured and I would suggest that his report be not with.

MEMORANDUM:

Mr. Lucas.

[illegible] River Lot 11, Range 4, Fort Vermilion Settlement. Homestead, Frank F. Woodcock, deceased soldier. Entry granted 5th May, 1914.

This entry existed on the 26th April and was filled in action on the 23rd November, 1917.

No case was submitted in Mr. Lucas's memorandum of the 15th ultimo (March) in which he recommended the issue of patent in the name of the deceased entrant.

Before this memorandum was approved, however, a letter, dated the 1st ultimo, was received from the local Mr. of Lands, Edmonton, requesting that the issue of patent be delayed as it may be necessary at first to file a certified copy of letters of administration and have patent issued in the name of the legal representative.

As this document is now on file and as identity would appear to be established by a letter from the deceased entrant, dated February 14th, 1916, (301047) in which he describes his land and encloses a certificate of enlistment, there would be no reason why patent should not issue in the name of the legal representative of the Imperial Canadian Trust Company.

Memorandum.

Mr. Hume.

N.W.¼ 5-82-1-W. 6th Mer.,
Cancelled Homestead entry of
Frank Kugeli.

Mr. Kugeli made application for patent on the 28th December, 1920, showing the necessary duties completed.

Patent did not issue owing to the fact that Mr. Kugeli is a Hungarian and he was advised to make application for a decision under Section 4 of 10, George V. Chapter 13, but he failed to advise the Department that he had done so.

According to the information on file this man deserted his wife and family on the 30th January, 1923, and has not since been heard from.

As this case appears to be one of desertion a Homestead Inspector's report was obtained on the 10th May, 1923, and the following information is at hand;-

House	-	$150.00
Stable	-	75.00
75 acres broken at present time		150.00

General Remarks.

"The above entrant left home on "or about the 30th of January, 1923, and "has not been heard of since. Mrs. "Kugeli informs me that she can get no "trace of him. He left his family with "no means of support; had not the "neighbours come to her aid she would "have been obliged to call on the Govern- "ment for support. She has a family of "six children the oldest seventeen years, "the youngest one year. Mrs. Kugeli is "a British Subject while her husband "Frank Kugeli has not yet been naturalized.

"Considering.....

"Considering these facts I would
"recommend that Mrs. Kugeli be granted
"every protection possible."

The case was submitted on the 27th August, 1923, and it was then decided to institute cancellation proceedings under Section 26 of the Act, owing to failure of entrant to complete application for patent by filing Certificate of Naturalization and to reserve entry until Mrs. Kugeli filed evidence of desertion for two years.

The entry was cancelled on the 8th December, 1923.

Mr. J.F. Kyle, Justice of the Peace, writes on behalf of Mrs. Kugeli furnishing the following information;-

"Mrs. Kugeli has asked me to
"write you stating that it is now two
"years since her husband deserted her
"and she wishes permission to apply
"for patent to the said quarter."

In view of the foregoing evidence kindly advise me whether Mrs. Kugeli should be informed to make application for entry in her own name, also that if she is satisfied that the required duties have been completed she should at once execute application for patent.

W.W. Stinson

Suggest she be required to submit s/d showing date of desertion, what evidence performed on land since that date, and setting forth that in the interval she has not heard from her husband and does not know where he is at present. Upon doing so, she could be granted entry in her own name without paying for the improvements.

Dear Sir, Files 1483562 & 7166125.

I am in receipt of your letter of the 29th ult. and duly note that the change from the North East to the North West Quarter of Section 10 advised by your department is an error.

I am forwarding the Transfer to the Transferor to have the necessary change made and shall request him to let you have it on completion.

I note that you have consented to the exchange of the North West Quarter of 71 - 1 18 - W. 4th for the North East Quarter of 10, and beg to thank you therefor.

As the Mackie Ranch of which the above property is a part, is composed of three leases, I believe that according to the Regulations, the occupant is entitled to purchase one Quarter Section at the rate of $7.00 an acre, for each lease held by him. If this is so, I should like also to purchase the South West Quarter of 6 - 2 - 18 - W. 4th M. which adjoins the North West Quarter of Section 71 above mentioned, as this Quarter Section contains the barn and sheding of the Ranch. The other Quarter Section I should like to take up at another part of the Ranch where buildings are situate. If my interpretation of the Regulations is incorrect, will you kindly let me know if it will be possible, in consideration of part of the Ranch buildings being on the property, for me to pur-

DEPARTMENT OF THE NAVAL SERVICE

N° 46-6-2

12th August 1915.

Sir,

With reference to your letter of the 28th ultimo, Number 3176415, I beg to inform you that Sidney J. Franks has joined the Royal Canadian Navy as a Stoker and is serving in H.M.C.S. "DIANA" at Halifax.

I am, Sir,

Your obedient Servant,

DEPUTY MINISTER.

The Assistant Secretary,
Department of the Interior,
O t t a w a .

Ref 337976 on 1871017.

AT THE GOVERNMENT HOUSE AT OTTAWA,

SATURDAY, the 8th day of May, 1915.

P. C. No. 1042.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

Whereas it is but fair and reasonable that the relief which may now be granted to a homesteader who is a member of a military force such as is specified in Section 22 of the Dominion Lands Act for the consummation of title to their homesteads, or in Section 23 of that Act, should also be granted to any homesteader who, whether he is an alien or a British subject by birth or naturalization, has been serving or is now serving, or who may hereafter serve as a member of any military force, regiment, company or corps of Great Britain or in any military force, regiment, company or corps of the Allies of Great Britain in the present war in Europe, Africa or elsewhere, in defence of the British Empire and Allies, and who because of his being a member of any such military force, regiment, company or corps, or of wounds received, or of illness resulting therefrom, or from any other cause after and because of his enrolment as a member of any military force, regiment, company or corps, is unable to resume occupation of his homestead, or to complete the conditions of his entry thereafter; and further, that in the event of the death of any such homesteader similar relief should be granted to his legal representatives;

Therefore His Royal Highness the Governor General in Council, by and with the advice of the King's Privy Council for Canada, and under the authority of Subsection 1 of Section 6 of the Act intituled "The War Measures Act, 1914," 5 George V, Chapter 2, and Section 76 of "The Dominion Lands Act," paragraph (k), is pleased to order, and it is hereby ordered, as follows:—

The relief in such cases, as aforesaid, heretofore allotted to where the homesteader is unable to resume occupation of his homestead may be either relief from further cultivation of the homestead, or from further residence thereon, or from both, as to the Minister of the Interior may seem meet. Where the Minister of the Interior may appear fair and reasonable; and where all further conditions of entry are so dispensed with, the Minister of the Interior, or any Acting Minister of the Interior may direct the immediate issue of letters patent to the homestead in favour of the homesteader.

Similar relief and action may be authorized in favour of the legal representatives of a homesteader who dies because of wounds or illness, as before specified.

(Signed) RODOLPHE BOUDREAU,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior.

Published in the *Canada Gazette* of 5th June 1915, Vol. 49, No. 10, for the fourth consecutive week.

Ottawa, 9th September, 1915.

To His Royal Highness,

The Governor General in Council.

The Undersigned has the honour to refer to the Order in Council of the 8th day last, P. C. No. 1042, and as different opinions have been expressed as to the meaning, application and scope of the regulations of that Order, to recommend as follows:-

That the provisions of the Order above referred to be hereby declared to mean and to apply to any body or force of men who have served or are now serving or who may hereafter serve with any of the forces of Great Britain or any of the Allies of Great Britain in the present war with Germany and Austria, or any of the Allies of these Countries, whether such body or force is of a military or of a naval character; and also to apply to and include any member of any such body or force, whether he is a British subject by birth or naturalization, or is an alien.

That it be also declared to be the intention of Your Royal Highness in Council that the term "legal representatives" in the last paragraph of that Order means the heirs-at-law or next-of-kin of any deceased member of any body or force of the character before referred to; and that when it has been decided that letters-patent for a homestead may be issued,

in

in any case arising under such Order, whether in the name of a homesteader who, if living, is unable to resume occupation of his homestead because of any of the causes specified in that Order, or in the names of his heirs-at-law or next-of-kin, in the event of his death, or in the deceased homesteader's own name under the provisions of section 31 of the Dominion Lands Act, where that course of action be deemed to be advisable, whereupon letters-patent may be issued in any case although the usual form of application prescribed in the Dominion Lands Act; and shall not be necessary that the only documentary evidence that need be furnished in any such case is:- (a) any evidence satisfactory to the Minister of the Interior that the homesteader is unable to resume occupation of his homestead because of illness or accident; or (b) in the case of the homesteader's death, any evidence which will satisfy the Minister of the Interior that the heirs or next-of-kin desire that letters-patent may be issued in the name or names of such heirs or next-of-kin.

Respectfully submitted,

Minister of the Interior.

Office of the Chairman

OTTAWA - SEP 23 1930

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: William H. Smith,
S.E.¼ 33-55-8 W.5th M. (S.C.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 13th July, 1922, the settler secured advances from the Board totalling $2939.87, as follows: permanent improvements, $1020.88; stock and equipment, $1694.22; special advances, $224.77. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a first mortgage on the S.W.¼ 3-56-8 W.5th, the settler's privately owned quarter.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 15th August, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. He is no longer operating the farm and his loan is in adjustment. When a purchaser has been found for the property it will be sold and the proceeds applied in reduction of the settler's indebtedness to the Board.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 33-55-8 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

Mr. J. A. [illegible],-

The Alberta and Great Waterways Railway Company, has applied to purchase the above lands, which are within a tract temporarily reserved for forestry, for townsite purposes.

In view of the fact that the Company contemplates locating townsites at these points it would appear that they are of economic value apart from forestry, and I would suggest that if these lands are not to be included in the forest reserve that they be made available for the Company.

I would also suggest that this matter be submitted to Mr. Campbell for his views.

MEMORANDUM:

OTTAWA - JUL 17 1930

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: T. E. Clague,
S.W.¼ 33-57-4 W.4th (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 17th June, 1921, the settler secured advances from the Board totalling $500.00, as follows: permanent improvements, $250.00; stock and equipment, $250.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is a charge on the N.W.¼ 33-57-4 W.4th.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 23rd April, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 33-57-4 W.4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order forsignature is attached hereto.

Sir:-

I am writing to you in reference to the quarter section of land (Quarter of Section Twenty eight (28), Township 21, West of the 5th Meridian) which I applied for three years ago and at which time I was informed that this land was being taken away from the homestead. I do not see why this should be, as I have complied with the homestead regulations in every way and am entitled to get my patent. I

My dear Sir,

I am in receipt of your recent letter in regard to the oil rights under your homestead, the south west ¼ of section [illegible], - [illegible], - 1 west 1st meridian.

In reply, I beg to state that under the provisions of the Dominion Lands Act no patent for [illegible] carries with it the right to prospect for petroleum or natural gas, but [illegible] under the Act reserved to the Crown.

I enclose you, herewith, a copy of the regulations in force, which will [illegible].

Department of the Interior,

G.R. LAND PATENTS BRANCH, Ref. No. 3178894.

Ottawa, 29th July, 1914.

Memorandum:-

An application has been received by the Mining Lands and Yukon Branch from Mr. William S. McInnon, of Calgary, for a lease of the petroleum and natural gas rights in the S. ½ of Section 28, Township 21, Range 1, West of the 5th Meridian.

According to the records of this Branch Letters Patent were issued on the 3rd February, 1893, to Mr. George E. Atson under the homestead provisions of the Dominion Lands Act, and such patent reserved to the Crown the mines and minerals, but, as Mr. Atson entered for the said quarter section on the 24th December, 1885, the mines and minerals should not have been reserved in his patent, and they would appear to have been so reserved on account of the fact that in his application for patent the date of his entry was given as the 18th June, 1888, while the correct date of his entry, according to the agent's ~~report~~ reporting his entry, as above stated, is the 24th December, 1885.

In June last, Mr. Thomas . Hooch wrote the Minister that he had been the owner of this quarter section for years, and that, as the land had been public for previous to the sale all rights being reserved, they should be granted to him.

In reply he was informed that under the provisions of the Dominion Lands Act no entry for a homestead conveys the right to petroleum or any mineral within or under the land covered by such homestead entry."

As it appears quite clear that the mines and minerals should not have been reserved to the Crown in this patent, the acting deputy Minister of the Interior.

Ottawa, 28th July, 1914.

Memorandum:-

An application has been received by the Mining Lands and Yukon Branch from Mr. William S. McInnon, of Calgary, for a lease of the petroleum and natural gas rights in the S.E. ¼ of Section 22, Township 11, Range 2, West of the 4th Meridian.

According to the records of this Branch Letters Patent were issued on the 2nd February, 1907, to Mr. Henry E. Aiken under the homestead provisions of the Dominion Lands Act, and such patent reserved to the Crown the mines and minerals, but, as Mr. Aiken entered for the said quarter section on the 14th December, 1906, the mines and minerals should not have been reserve in his patent, and they would appear to have been so reserved on account of the fact that in his application for patent the date of his entry was given as the 14th June, 1907, while the correct date of his entry, according to the agent's record regarding his entry, is above stated, to the 14th December, 1906.

It does not, Mr. Thomas E. Cochrane the Minister that he had been informed of this quarter section for grain, and that, as the land had been sold for growing to the day all rights being reserved, they should be granted to him.

It would be as the law stood That under the provisions of the Dominion Lands Act no entry for [illegible] homestead right to petroleum or any mineral within or under the land covered by such homestead entry."

As it appears quite clear that the mines and minerals should not have been reserved to the Crown in this

Ottawa, 14th August, 1914.

Sir,

With reference to your letter, without date, which was answered by the Minister on the 25th June last, respecting your enquiry with regard to the gas and oil rights in the S. ½ of Section 28, Township 31, Range 1, East of the 5th Meridian, I beg to inform you that upon further looking in to this matter it has been found that the patent for this quarter section, which was issued on the 3rd February, 1893, to Mr. George [illegible]atson, should not have reserved to the Crown the mines and minerals. This reservation was inserted in the letters patent in error, as Mr. [illegible]atson having entered for the said land on the 24th December, 1885, the mines and minerals should not have been reserved in the patent, but such reservation would appear to have been made owing to the fact that, in his application for patent he gave the date of his entry as the 16th June, 1886, while the correct date, according to the agent's return advertising his entry, is the 24th December, 1886, as above stated. As you are probably aware, in all grants of land situate east of the 3rd Meridian acquired from and after the 1st October, 1887, the mines and minerals are reserved to the Crown.

Upon an application being made to this Department by Mr. [illegible]atson for the mineral right in the said quarter section, or by his assignee of such mineral rights, in which latter case an Abstract of Title should be furnished the Department as well

Township 62, Range 16, 4th M.

The S. E. 1/4 of 36 is claimed by Donald [illegible] Taylor. He has already secured patent for a free homestead. Only one kindly have a somewhat irregular report generally as to the relations and improvements performed by Mr. Taylor and also a valuation on the land.

The S. E. 1/4 of 36 is claimed by Robert Taylor, and from his declaration in support thereof his claim appears to be a good one and he may be given the usual priority of right in making entry.

The S. E. 1/4 of 36 is claimed by George Muriel and from his declaration in support thereof his claim appears to be a good one and he may be given the usual priority of right in making entry.

The S. E. 1/4 of 35 is claimed by Robert Moar, and from his declaration in support thereof his claim would appear to be a good one and he may be given the usual priority of right in making entry.

With the exception of these four parcels, there does not appear to be any objection to the available lands in the town [illegible] being thrown open for entry in the usual way.

Township 7[illegible], Range 1[illegible], 4th M.

The S. E. 1/4 of 15 is claimed by Wroldsen Consteorit o. and from his declaration in support thereof his claim would appear to be a good one and he may be given

given the usual priority of right in making entry.

With the exception of this parcel, there does not appear to be any objection to the available lands in the township being thrown open for entry.

Township 7[illegible], range 13, [illegible] 4th M.

The [illegible] 1/4 of 17 is claimed by Glen C. Williard, but as the evidence on file show that he had performed no residence nor improvements on the land his claim is not a good one and need not be considered.

The [illegible] 1/4 of 20 is claimed by Allen D. Williard and from his declaration in support thereof his claim appears to be a good one and he may be given the usual priority of right in making entry.

With the exception of the [illegible] 1/4 of 20, there would appear to be no objection to the available lands in the township being thrown open for entry in the usual way.

Township 8[illegible], range 17, [illegible] 4th M.

The [illegible] 1/4 of 6 is claimed by Charles [illegible] Scott, and from his declaration in support thereof his claim would appear to be a good one and he may be given the usual priority of right in making entry.

The [illegible] 1/4 of 6 is said to be squatted on by [illegible] B. Carmichael. File 42[illegible]6, quoted in that connection, is not before me, but it might be looked up and [illegible] Carmichael's claim considered, and if, as would appear, no declaration was made before the surveyor, a Homestead Inspector's report might be called for.

The [illegible] 1/4 of 18 is said to be squatted on by [illegible] Leonard Morse, but no declaration has been made. Could you kindly have a Homestead Inspector visit the land and furnish a report in connection with the claim.

With the exception of these three parcels, there would appear to be no objection to the available lands in the township being thrown open for entry in the usual way.

With the exception of the above mentioned townships, namely:-

Tp. 6[illegible], range 18, [illegible] 6th M.
" [illegible] " 17, "
" 7[illegible], " 10, [illegible] 4th M.
" 7[illegible], " 13, "

there would appear to be no objection to the available lands in the other townships first referred to in this report being thrown open for entry in the usual way.

Commissioner.

defining the division of our quarters. This came out through our lack of knowledge of where the line would [illegible] us, and we considered ourselves [illegible] while working on the lands I have endeavoured to describe.

Now my object in addressing you in this matter is on my son's account solely, he is now nearly 21 years of age but in nearly three years work (good hard work every day at home) on this land, and as soon as our rights are recognized wants to go to Edmonton and attend school for [illegible] year, and it seems to me if right and justice prevail, he should be allowed a full time since [illegible] (same as myself) was not compelled to go through the [illegible] year in the district until [illegible] through.

I am a naturalized Canadian citizen & only ask for what is justice, and think it is not right to [illegible] boy that it should suffer for what we did not [illegible], him working on the land putting in [illegible] and clearing [illegible] that we did not get [illegible] did not want to [illegible] until we knew where it belonged, but as the line ran when the survey came through, the [illegible] that the core of [illegible] land was on his quarter.

I hope I have made myself clear to you and will only add that any statement I have made can be verified by any one in the town of Cromer, who has been

here

here since we settled here, and especially Mr. Key Mgr. of Revillins Bros, Mr. Walker Mgr. of Diamond Co., and Mr. Hodgson of Hudson Bay Co, or as I said have any one in this vicinity who have been here since I and my family settled here, I will be pleased to hear from you at your convenience.

I am Sir, Sincerely

Allen E. Hilliard.

I am enclosing views taken [illegible] at intervals since I arrived on the grounds in 1911, I would appreciate it in the future when we get our photos you would have your views returned to me, not for their value, but they [illegible] part of my life while in the future I would [illegible] live over again, at times, when as I say years pass I may not be able to handle the [illegible] as I am now, I would suggest that you if you are convinced of the [illegible] in evidence of your [illegible] give us the information asked for as early as is convenient for you to do so.

For this reason [illegible], it is not fair to the Co. that he be kept in suspense as to whether his labour is to count for his benefit or not, I know from various sources that you will do what you consider right and this is all I ask.

If I have omitted any information you would like I will gladly comply with anything you may desire.

Memorandum:

Mr. Greenway:

The Minister is not in favour of allowing any person to have prior right of entry in a case of this kind, unless he has been in actual residence upon the quarter-section claimed.

It would appear that from a declaration made by him before a surveyor on the 19th of May, 1914, that Mr. G. C. Hilliard was not in bona fide residence on the quarter-section claimed by him at the time of survey and as pointed out, the report of the Inspector cannot be correct in giving him actual residence from 1912.

It may be, however, that this man is now a bona fide squatter on the land, although he was not on it at the date of survey. This point might be cleared up.

Memorandum:

Mr. Hume.

Re- N.E. 12-75-11-W. 5th M.

In May 1914 Alexis Courteorille filed a declaration with the surveyor who sub-divided this land, setting out that he had settled on the above quarter-section about the year 1880 and that he had lived almost continuously on the land. He claimed a house valued at $[illegible].00 and in addition, seven houses and nine stables of a total value of $1800.00 and also thirty horses and seven cows on the land. It does not appear that Mr. Courteorille ever applied for entry, and in June 1911 the Agent of Dominion Lands at Peace River was called upon to secure a Homestead Inspector's report. This report has now come to hand.

According to the report the entrant has resided on the land for about thirty-five years but died in 1918. The Inspector reported six log houses valued at $175.00 and three stables valued at $[illegible].00. His remarks are as follows:

" I find upon visiting the above described
"land that the original squatter, Alexis Courteo-
"rille, died the fall of 1918. His wife is at
"present living about 5 miles east of this land
"on the shore of Lesser Slave Lake near what is
"known as Narrows Creek.
" At the time of my visit to this land
"(which is situated on the north shore of Lesser
"Slave Lake and known as Big Point) I found
"Mr. Thomas Courteorille and Alex Courteorille,
"both sons of the original squatter, Alexis,
"residing on this land. Both these men are
"half-breeds and speak nothing but the Cree
"language as there was no interpreter within
"25 miles I found great difficulty in gaining
"absolute facts any more than that their father,
"Alexis Courteorille lived for the past 35 years
"up to the time of his death late in the fall
"of 1918 and that with the assistance of his

--family--

"family had erected the buildings which still
"remain and one stable more which has collapsed.
"Most of these buildings are very old. This
"was(prior to the Railway coming into the
"country) the stopping place for freight is
" over the ice.

The apparent reason why the entry for
"this land was not made is that he expected to
"receive this as a free grant.

I also understand that a statement was
"made to the surveyor when the land was
"surveyed in 1914."

Please say whether the late Alexis Courteorille's heirs may be given an opportunity of filing Letters of Administration and securing entry for this quarter-section.

Sir,

Re N.E.¼-12-75-11-W.5th M.
Agency file No. 6309.

You have been furnished with a copy of the Departmental letter of the 22nd instant to Mrs. Alexis Courteorille of Grouard, Alberta, by the Controller of Land Patents Branch, informing her that in view of the failure of the next-of-kin to furnish Letters of Administration of the estate of her husband, the late Alexis Courteorille, the claim of the estate to the quarter-section above mentioned has been extinguished.

Inasmuch as Alex. and Thomas Courteorille, sons of the deceased squatter, are reported to be occupying the land, it will be necessary for a Homestead Inspector to formally notify them that in view of their failure to establish a claim to the land by filing Letters of Administration of the estate, they must give up possession of the land. They should be required to give an undertaking within a specified time to remove their personal belongings and notify your Office in writing to that effect. When you have assurance that the land is no longer occupied you may refer the matter to the Department for instructions as to the disposition to be made thereof. It is not considered advisable to post for entry while the land is occupied as this frequently gives rise to complications.

There is a possibility that these people through ignorance of the language may not have properly comprehended the purport of your letter of the 4th April, 1922, and the Homestead Inspector who is detailed to work on the case should be careful to make it plain that the reason for disallowing the claim is due to the failure of the next-of-kin to establish their position as legal representatives of the estate as required by law and that under such circumstances the Department cannot recognize them and that their continued occupation of the land places them in the position of trespassers.

The Homestead Inspector should also be asked for a recommendation as to what disposition should be made of the South West Quarter of Section 13 in the same township, claimed by Thomas Courteorille as a squatter prior to survey, which claim however has not been perfected by the squatter making entry. In this connection please see the Departmental letter of the 11th April, 1922, agency file No.7827.

.....

I beg to advise you that in view of the failure of the next of Kin to furnish Letters of Administration of the estate of her Husband, the late Alexis Courteoreille, the claim of the estate to the quarter section above mentioned has been extinguished.

In as much as Alex and Thomas Courteoreille, sons of the deceased squatter, are reported to be occupying the land, it will be necessary for you to formally notify them that in view of their failure to establish their claim to the land by filing letters of Administration of the Estate they must give up possession of the land. They should be required to give an undertaking within a specific time to remove their personal belongings and notify this Office in writing to that effect.

There is a possibility that these people through ignorance of the language may not properly comprehended the purport of our letter of the 4th April, 1922 (a copy of which is enclosed) and you should be careful to make it plain that the reason for disallowing the claim is due to the failure of the next of kin to establish their position as Legal Representatives of the estate as required by Law and that under such circumstances the Department cannot recognize them, and that their continued occupation of the land places them in the position of trespassers.

You should also furnish a separate report giving your recommendation as to what disposition should be made of the ... ¼ of Section 13, in the same Township, claimed by Thomas Court oreille as a squatter prior to survey, which claim, however, has not been perfected by the squatter making entry .

Re S.W.¼ 30-14-15, W.4th M.
Homestead - Percy Love.

I am to acknowledge your letter of the 7th instant, and in reply must ask you for further information concerning the Quit Claim Deed from Mrs. Frances Taylor to Mr. Percy Love in respect to the N.½ of Section 30, Township 14, Range 15, West 4th Meridian, on which the latter claims residence in connection with his homestead under the provisions of the Dominion Lands Act.

Settlers claiming residence under the vicinity clause of the regulations are required, in making application for patent, to furnish proof of ownership of purchased land. Evidence of this is required in the shape of an Abstract of Title or Agreement of Sale, supported by receipts for payment of not less than one third of the total purchase price. In the case in point, Mr. Love claims residence on the N.½ of Section 30 aforesaid, since the 1st July, 1917, to date of application for patent - 7th January, 1922, but it is observed that the Quit Claim Deed was effective from the 24th February, 1921 only; notwithstanding which the assignment you state, has not yet been approved by your Company in favour of Mr. Love. Nevertheless your file seemingly shows that Mr. Love has had an interest in the land since 1917.

The facts of this case are not clear to the Department and I am, therefore, to ask you to be good enough to furnish further particulars, (1) what is the nature of the equity of Mr. Love in the land since 1917, (2) in connection with the execution of the Quit Claim Deed, did Mrs. Taylor enter into a Agreement of Sale with Mr. Love personally, (3) if not, would Mr. Love be considered as having any legal interest in the land prior to the 24th February, 1921 - date of Quit Claim, (4) why has the Quit

Claim

Claim Deed in favour of Mr. Love not yet been approved by the Company, and, (5) was Mr. Love responsible for the payment of $2,084.95 on account of the purchase money referred to in your communication of the 23rd January last, to the Agent of Dominion Lands at Lethbridge ?

Your careful attention to these matters will be appreciated.

I trust that in the meantime you will not allow my Homestead to be canceled as there is not much value in it only for grazing purposes, but as grazing land is very scarce in this locality there are neighbors that would cancil me.

Re: W½ 8-14-14-W-4th.
Homestead - Percy Love.

Dear Sir:-

In reply to your letter of the 17th. [illegible] numbered as above cited, I thank to satisfactorily answer the questions asked therein, it might be well for me to give you a short history of the file [illegible] mention with [illegible] Title of the said half of 8-14-14-W-4th. - Premising that the rules of the Hudson's Bay Company require the formal approval of any Assignment by this Company before any Assignee's name is recorded in our books. One of the pre-requisites of [illegible] is that at the time of [illegible] approving of any Assignment papers to us, the contract be in good standing, that is to say, instalments of principal being paid to date together with interest.

we require:- In support of any Assignment papers,

1. Purchaser's Duplicate Agreement of Sale.

2. Abstract of Title.

e Assignor. 3. G. R. Certificate as to the name of

4. Fee for approval of the Assignment, upon all things being found, approval of the Assignment takes place and the Assignee now is recorded in our books as the Assignee-Purchaser.

Instances occur, however where our Purchaser enters into an Agreement of Sale herself or herself and a stranger to the Company's title but the stranger in possession of the

4659097

land, who makes payment to us on the instalments due and payable by the Company's recorded Purchaser. Our Receipts for such money are given in the name of the Purchaser, for the party so paying; and t ought the Hudson's Bay Company's contract, so held may be ultimately paid for in full by the Stranger holding an Agreement of sale between our Purchaser and himself, but not recognized by us, yet unless a change of Title has been approved by us, the Conveyance would issue in the name of the original recorded Purchaser.

Now in this instance, this land was sold originally to Mrs. Frances Taylor on the 27th. September 1909, for the sum of $1040.00. In November 1910 our Purchaser, Mrs. Taylor, advised us, through her husband that she had disposed of her interest in the land to Percy Love. On the 8th. of December, Mr. Love confirmed this assertion by a letter to the same effect, but no formal Assignment papers were then presented. In April 1911 Mr. Love informed us that he Intended to Assign his interest in this half section along with some other property he held, to one Thomas Jenkins, of Toronto, as collateral security for a loan.

On the 23rd. of July 1914, the Plaintiffs of this contract - by reason of improvements made on the land and certain instalments being paid - submitted the Company's approving of a chain of Assignments - Frances Taylor to Percy Love, Percy Love to Thomas Jenkins of Toronto, in whose latter name the sale yet stands recorded in the Company's books.

Beyond the initial payment made by Taylor and part of the 2nd., instalment, all is received by this Company in respect of this de, up to the present would appear to have Love. These payments, so far as we can m, amount to:-

$1124.95
$2138.42

having been taken by him of the terms whereby after payment of the 2nd. instalment payment, of instalments,

4659097

all date of final payment is due, is in order.

In Mr. Love's case, or rather in the case of this contract adverse circumstances - Crop failure etc., have been sufficiently pressed by Mr. Love to warrant us granting him extension of time up to the present.

The Contract has not yet been paid out in full, though we have on file, as previously stated, Quit Claim, from Thomas Jenkins to him, Percy Love which will be approved of when the Final Payment is made.

The reason of our none-approval must be obvious, as it is used as a pressure for the collection of arrears outstanding.

The date of the Assignment from Frances Taylor to Percy Love, which we have in our Vault in connection with the approval of Assignment to Jenkins, is dated 25th. January, 1912. Practically since 1911 Mr. Percy Love has been dealt with by the Company as holder of the land, though irregularly.

Yours faithfully,
for H. F. Harman,
Land Commissioner.

Dear Sir:-

COMMISSIONER

S U M M A R Y.

Leroy Love has applied for patent for his homestead and appears to have completed the duties, the only point being whether he can be regarded as the owner of the half section where he has been living in the vicinity.

This half section was Hudson Bay land, sold by the Company to Mrs. F. Taylor in 1919. In 1919, Mrs. Taylor informed the Company that she had disposed of her interest in the land to the entrant. The entrant also wrote the Company to the same effect, but no formal assignment papers were then presented to the Company. This is the weak point.

In 1914 Mrs. Taylor formally assigned to the entrant and at the same time the entrant made an assignment to Thomas Jenkins and the land still stands recorded in the Company's books in the name of Jenkins. The entrant explained to the Company that he was assigning to Jenkins as collateral security for a loan and, as a matter of fact, Jenkins in 1921 quit-claimed back to Love.

Further, Love made all the payments that have been made to the Company, except what Mrs. Taylor paid prior to assigning to Love. The Company state that the amounts paid up to the present amount to $[illegible] principal and $273.00 interest.

More than half the purchase price of the half section has been paid, and after carefully reading the Company's letters of the 29th and 30th March, I am satisfied that the entrant has established ownership of the half section sufficiently for the purposes of the Department. This is based principally on the Company's statement that Mr. Love made the payments.

I would therefore recommend that the residence be accepted.

Dear Sir:-

Comrade J. F. Little, No. 500514, has filed his soldiers' grant in the North half South East quarter 12-21-4-5, which contains 80 acres, more or less, and has made application for the South half of the same land to complete his full quarter.

The South half is held as a water reserve, but I understand is not required for such purpose. This land is good mixed farming, and Mr. Little has a homestead near by. He is a practical farmer and stock man, and has lived in this district for a number of years and is thoroughly reliable.

I am directed to request that you be good enough to have the South half of 12-21-4-5 withdrawn as a water Right and made available for Mr. Little.

Yours respectfully,

Secretary Land Committee.

Sir,

With reference to Mr. Vondette's letter to Mr. Chester Ridley's report of the 12th June last, File #37576, in connection with the above described lands, I beg to inform you that it has been decided to have these parcels made available for entry by posting in the usual manner, and to request you to take the necessary action in the matter.

I beg to point out that entry in these cases should be granted subject to a reserved right of way for the works to be constructed by the Canada Northern Railway Company.

I beg to call your attention to the fact that the conditions as set forth in the inspector's report, are that the river and the remainder portion is so really cut up by bad cut banks and sloughs that it is practically valueless.

Dear Mr. McKenzie,

I have your letter of the 21st re Section 12, Township 11, Range 12, West of the 4th Meridian, patented homestead of the late Clarence E. Sherlock. In your communication you point out that the practice of the Department in respect of the issuing of patent either in the name of the deceased, or insisting upon Letters of Administration being taken out, or the will probated is not at all satisfactory. This is a matter that has been considered by the Departmental officers on many occasions, and I agree with the recommendations they have made to me that the Department should follow the practice of issuing letters of patent in this way satisfactorily. In the case you mention I might point out that patent was issued in the name of the deceased homestead entry [illegible] the late Mr. Sherlock wrote me that he intended, and that this should be done.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL

The undersigned has the honour to report:-

That by Order in Council P.C. 1788, dated the 5th August, 1930, the part of Section Thirty-three, Township One, Range Twenty-two, West of the Fourth Meridian, lying east of Milk River in the Province of Alberta, saving and excepting mines and minerals whether solid, liquid or gaseous and subject to the provisions of the Irrigation Act, was transferred to the Department of Agriculture on the understanding that the land would revert to the control of the Department of the Interior (now a part of the Department of Mines and Resources) when no longer required by the Department of Agriculture;

That a copy of the Order in Council was filed in the Land Titles Office at Calgary and a Certificate of Title issued to His Majesty the King in the right of Canada represented by the Minister of Agriculture;

That the Department of Agriculture has advised that such land is no longer required for its purposes, and was never actually used by that Department and no money was ever expended on such lands;

That by virtue of Section 18 of the agreement set out in the Alberta Natural Resources Act (Chapter 3, 1-2 George V, 1930), the lands have continued to be vested in and administrable by the Government of Canada for the purposes of Canada.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to administer this land and that same already transferred and therefore recommends that the interest of the Crown in the part of Section Thirty-three, Township One, Range Twenty-two, West of the Fourth Meridian, lying east of Milk River in the Province of Alberta, saving as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interest other than that of the Dominion in the same.

The undersigned has the honour to report:-

That by Order in Council P.C. 1768, dated the 6th August, 1930, the part of Section Thirty-three, Township One, Range Twenty-two, West of the Fourth Meridian, lying east of Milk River in the Province of Alberta, saving and excepting mines and minerals whether solid, liquid or gaseous and subject to the provisions of the Irrigation Act, was transferred to the Department of Agriculture on the understanding that the land would revert to the control of the Department of the Interior (now a part of the Department of Mines and Resources) when no longer required for the purposes of the Department of Agriculture;

That a copy of the Order in Council was filed in the Land Titles Office at Calgary and a Certificate of Title issued to His Majesty the King in the right of Canada represented by the Minister of Agriculture;

That the Department of Agriculture has advised that such land is no longer required for its purposes, and was never actually used by that Department and no money was ever expended on such land;

That by virtue of Section 18 of the Agreement set out in the Alberta Natural Resources Act (Chapter 3, 20-21 George V, 1930), the lands have continued to be vested in and administrable by the Government of Canada for the purposes of Canada.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to deal with those lands already transferred and therefore recommends that the interest of the Crown in the part of Section Thirty-three, Township One, Range Twenty-two, West of the Fourth Meridian, lying east of Milk River in the Province of Alberta, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interest other than that of the Dominion therein.

Respectfully submitted

Minister of Mines and Resources.

Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor General on the 1st July, 1919.

PRINTED FOR O. & A. 30 SEP

The Committee of the Privy Council have had before them a Report from the Minister of the Interior, submitting that under the provisions of Section 10 of the Dominion Lands Act, a person who has bona fide settled and made improvements on agricultural land before the survey thereof and is in occupation of and ordinarily resident on the land at the time of survey, shall, if he is eligible under the said Act to make entry for a homestead, have a prior right to obtain entry for the land so settled on, provided that this right is exercised within six months after a notice in writing that the land is open for entry, has been given by the local Agent to the said person; that John Buchanan of Grouard, Alberta, is entitled under the provisions of the said section 10 of the Dominion Lands Act to prior right to obtain homestead entry for the south-east quarter of section 10, township 87, Range 21, West of the 4th Meridian, was unable to exercise his right to homestead entry on account of the surveyed lands in this township not having been made available for settlement; that the said John Buchanan enlisted in the Canadian Expeditionary Force on the 12th July, 1915, and has been officially reported as having died in France on the 4th December, 1916, of lobar pneumonia and for the said reason was unable to exercise his right of entry for the said land/

The Honourable
The Minister of the Interior.

land to which he was entitled under the provisions of the said Section 10 of the Dominion Lands Act.

The Minister, therefore, recommends that the said John Buchanan, now deceased, be given the status of an entrant for a homestead with respect to the aforementioned south-east quarter of Section 36, Township 48, Range 21, West of the 5th Meridian, in order that his estate may obtain Letters Patent for the said land under the provisions of the Orders in Council of the 8th May, 1915, P.C. 1042, and the 28th September, 1918, P.C. 1250, which provide for the immediate issue of Letters Patent for the land in the case where an entrant has died on active military service in defence of the British Empire as a result of illness therefrom.

The Committee concur in the foregoing recommendation and submit the same for approval.
